Customer Reviews

These are good if you are on the go studying a subject and reviewing, but when you are studying try to make your own hand made flash cards so that you can better memorize the material. This is an extra purchase and good for group study but solo study these are not as helpful.

It doesn't really help for bar exam study in the way I thought it would.

Very thorough! Didn't have a chance to go through all 1600 cards before the bar but if you start early and stay dedicated to reviewing them these are very beneficial. Found many typos in the deck

though):

Excellent info

I use these cards while doing other things, when I can't use my other digital bar prep course materials. Was a little concerned that the cards might lack in elements, but this is not so. The cards also offer examples for the trickier concepts. So glad I bought these for the times when I can't sit still to study.

Clear, concise, and comprehensive information! Worth the money.

I bought these for the July 2016 bar and have only gone through one subject (Con Law) and found a couple errors. This freaks me out as I am using it for this July's bar study and spent over \$70 on them. For example, for the Con Law flashcards, under the "contracts" clause, the flashcard stated that the clause applies to federal governments. I had to rewatch the Chemerinsky lecture and then referenced my Barbri notes which stated: "K clause never applies to federal government." See also:[...]THEN, I pull the card (Card #364) that asks "What does the 15th Amendment provide?" The Answer on the back side: "No, mere acquiesce by the state to the action of a private actor is not enough to convert the private actor's conduct to state action." WHAT?!?! That does not make sense. Some of the flashcards are helpful, i.e., drilling the standards of review. Other cards are so cursorily applied or written that I am not confident using this for the MBE. I am VERY disappointed because the size of the card and the amount of information on each card was nice. I am glad I had just studied Con Law so I was able to pluck out errors, but the whole point of flashcards is that they do the thinking for you. **DON'T WASTE YOUR MONEY AND MAKE YOUR OWN FLASHCARDS OR LOOK TO ANOTHER SET.**

Perfect!
