Thee Will I Cherish: A Contemporary Christian Romance (Treasured Vow Series Book 1)

Synopsis

Armed with her MBA degree, Gabriella Martin is ready to face the world. She's gained valuable experience the past year as the interim chief financial officer of her parents' highly successful Choose Me! Christian marriage ministry, but is that what she's destined to do the rest of her career? While she considers her options, Gabriella returns home to the beautiful Shenandoah Valley in her native Virginia. What she doesn't count on is running into her childhood friend Harley nearly everywhere she goes, especially since he seems more ruggedly handsome and irresistibly charming than ever. A master woodworker and furniture builder, Harley Goodwin has always been "just friends" with Gabi Martin from the time they were kids. He prays that while Gabi's home in Meadowvale trying to figure out her future direction, he can win her heart. He might not have a fancy college degree, but he's built a solid, flourishing career and is financially stable. But as determined as Harley is to earn Gabi's love, she seems to suffer from the misconception that he's dated every other eligible girl in town, and she's the last woman standing. During the long and hazy days of summer, can Harley convince this stubborn beauty she's the only woman he's ever loved and that Gabriella needs to stay in Meadowvale permanently and make a life, home, and family with him? *Thee Will I Cherish* is the first in the new three-book *Treasured Vow* Series from USA Today Bestselling Author, JoAnn Durgin, featuring the stories of Gabriella, Matt, and Aubrey Martin. Although they're the children of renowned Christian marriage experts, these three siblings need a little guidance from the Lord as well as their friends and family to help them navigate romance and love. Coming in 2018: *Treasured Vow* Series, Book 2: *Thee Will I Honor* (Matt's Story) *Treasured Vow* Series, Book 3: *Thee Will I Love* (Aubrey's Story) *EXCLUSIVE BONUS: The first full chapter of *THE VALENTINE VERSE* is included at the end of *THEE WILL I CHERISH*. Valentine's Day isn't just for February 14th anymore. Love should be celebrated every day!

Customer Reviews

I loved this book, and it outstanding start to what looks to be another very wonderful series from this author. Gabriella and Harley's story is a beautiful and inspirational romance that I thoroughly enjoyed. This author certainly knows how to write a story with wonderful characters and a story line that keeps me reading from the first pages. This book introduces the first of three siblings in the Martin family, and I am definitely looking forward to the next book in the series and reading more about this special family. I wholeheartedly recommend this book as well as any book that this author has written.

Gabriella and Harley are very special people. These two have been in love with each other for years without the other one knowing it. Watching these twos relationship change is truly wonderful. The characters in this book are all very special people who you will love to read about. God is working throughout this whole book. You won't be able to stop reading this book it's so amazing. I would give this book a higher rating than a five star review if I could. I had the honor to review this book for the author for a honest review. The reaction to this book is my honest reaction to this wonderful book.

Loved this first book in a series that promises two more amazing reads! JoAnn always does such a wonderful job of researching every aspect/subject that she writes about. There was so much depth inside these pages and each character is so well developed (definitely not just main characters

either). The story line was realistic and the pace of the book flowed flawlessly. Can't wait until we can read about how things come together for Matt and Aubrey. I highly recommend this and all of JoAnn Durgin's books.

I always pre-order JoAnn's books because I know they will be so good! Warning you will fall in love with the Martin family and may want to move to Virginia/Shenandoah Valley. You will definitely want to read the next books about this family. This book has everything you want in a good read. Joy, sorrow, love and living life with all its ups and downs. I love that JoAnn's books always keep God at the forefront of every situation. I highly recommend this book. Will be watching for Book 2 in this new series.

Gabi and Harley's story is years in the making. It's fun and flirty and intense. It's friendship growing into puppy love and finally into lasting love. This book has characters in every stage of life and love. There's Gabi's parents who have been married 25 years and teach others how to have a God-centered marriage. There's Gabi's sister and brother-in-law who have a young and growing family. Then there's Harley's parents who are hard to define, so just read the book!! The chapters are full of laughs and drama and love and even loss. It's life the way it should be lived and shared. As with all JoAnn Durgin books, be prepared to have your heart grow closer to God as you dig into His word through the pages of *Thee Will I Cherish*.

JoAnn Durgin books are always a slow dance of romance. She draws me into the story as if I were in it. Tension builds slowly over time as characters are developed. The humor along the way will tickle your funny bone. What I find unique in her books is how well I come to know the characters. In depth development over the length of the books makes for true friends of the characters. She gives all the details that make people seem real and touchable. I have fallen in love with the town of Meadowvale and am looking forward to more stories set there. Highly recommend.

I have yet to read a book written by JoAnn Durgin that is not 5 star worthy, *Thee I Will Cherish* is more than deserving. I so love how she gives the main characters so much passion and faith in our Lord and how they thrive on being the best they can be as a representation of Christ. When I first opened the book and noticed the long length I was hoping I could get through it over the weekend. I had no problem, I couldn't put it down, I didn't want to put it down, I wanted it to go on and on. I am ready for the next two! Thank you JoAnn, for never disappointing.

I loved this beautiful romance, the first in the Treasured Vow series. The part of the book that appealed to me most: "A cord of three strands is not quickly torn apart. When Christ is the third strand in a marriage, a couple is grounded in the word of God and better equipped to withstand the many challenges in life and love." I recommend this to anyone who loves Christian romance.
