Animalium Activity Book

Synopsis

Informative, imaginative, and artistic activities for young naturalists everywhere. Following the best-selling *Animalium*, Katie Scott returns with a companion activity book. Bursting with fascinating facts and puzzles, this book offers hours of entertainment to artists and animal lovers. Beautiful and inspiring, the myriad activities in this book challenge readers to discover something new and use their imaginations to draw, decorate, and design on every tear-out page.

Customer Reviews

Katie Scott graduated from the University of Brighton in 2011. Her work draws influences from traditional medical and botanical illustration, both in aesthetic and subject matter, and plays with the ideas of scientific uncertainty and speculation, fabricating the inner and outer workings of the world.

This book is amazing!!
