Customer Reviews

"With a richly detailed background, complex, sympathetic characters, superb action and a main character who somehow balances tragedy with comedy, this is a series that delivers in every way. So strap on your leaf headband and join the oddest ninja in town. You won't regret it. 4/5' NEO magazine"

Author/artist Masashi Kishimoto was born in 1974 in rural Okayama Prefecture, Japan. After spending time in art college, he won the Hop Step Award for new manga artists with his manga Karakuri ("Mechanism"). Kishimoto decided to base his next story on traditional Japanese culture. His first version of Naruto, drawn in 1997, was a one-shot story about fox spirits; his final version, which debuted in Weekly Shonen Jump in 1999, quickly became the most popular ninja manga in Japan.

Very pleased with our purchase.

Love this. It is a fun read.

Like yes!It has naruto! 100% for everyone!!I'm 8years old and watch ninjas killing bad ones!my brother is at naruto shippunden!So freakin cool!! love it. What can I say! Naruto is so hot!not as saskae! So I'm done! BYE!

I read the anime and it was amazing. The first book was just like it and all the content is great. I hope the books follows up in place of the anime. I recommend you read the book or watch the anime on Netflix cause on YouTube you will miss a bunch of episodes because not all of them are on there. Also, the cliffhangers are the best in the anime and books. Good Luck

Great price! Great condition!

Nice.

Verte good

This book is really good. It has the editors put in their favorite chapter and their reasons, with the added part of Naruto as the son of Kurama. There is also a few awesome fan arts at the end!!! Overall, this was a pretty interesting book.
