Toward A Meaningful Life, New Edition: The Wisdom Of The Rebbe Menachem Mendel Schneerson

Synopsis

With a new foreword and chapter that address the upheaval that followed the events of September 11, *Toward a Meaningful Life* is a spiritual road map for living based on the teachings of one of the foremost religious leaders of our time: Rabbi Menachem Mendel Schneerson. Head of the Lubavitcher movement for forty-four years and recognized throughout the world simply as "the Rebbe," Menachem Mendel Schneerson, who passed away in June 1994, was a sage and visionary of the highest order. *Toward a Meaningful Life* gives Jews and non-Jews alike fresh perspectives on every aspect of their lives -- from birth to death, youth to old age; marriage, love, intimacy, and family; the persistent issues of career, health, pain, and suffering; and education, faith, science, and government. We learn to bridge the divisions between accelerated technology and decelerated morality, between unprecedented worldwide unity and unparalleled personal disunity. At the threshold of a new world where matter and spirit converge, the Rebbe proposes spiritual principles that unite people as opposed to the materialism that divides them. In doing so, he continues to lead us toward personal and universal redemption, a meaningful life, and God.

For fourteen years Rabbi Simon Jacobson was responsible for publishing the talks of Rabbi Menachem M. Schneerson, the Lubavitcher Rebbe. A widely traveled and prolific public speaker, Rabbi Jacobson lives in Brooklyn, New York. He is the founder of the Meaningful Life Center, which builds bridges between the secular and spiritual and helps people discover the deeper meaning of their lives based on the three-thousand-year-old wisdom of the sages.

I'm Jewish but I read a lot of theological books. I'm also a nationally performing fulltime ventriloquist (check my name on the internet) and do a LOT of shows for Chabads. But about two years ago I decided to find out more about Chabads, and what blew me away was the wonderful theology and philosophy. You do NOT have to be Jewish to like this book. To me, it fits in with *The Power of Now* and so many other books that put things into a more theological and spiritual context. It is so easy to read, so deep, and many of the essays will stay with you for hours. I was gifted this as a hardcover by a rabbi I did a show for. I recently ordered it so it's on my kindle and I've gifted my copy to my sister, who sent me *The Power of Now* and some other books. This is such a deep, easy to read book -- and it cuts across all theologies. **HIGHLY RECOMMENDED**

I wish I had read this book of wisdom from Rebbe 20 years ago. It is so amazing I told everyone about, including my non Jewish friends. I even ordered another copy in Russian for my mom! If you have teenage children, let them read this book! I believe that every human being should read this book of great wisdom, especially our politicians! If everyone applied morals and values provided by Rebbe, this world would have been a better place. There would be peace among every human being! This book deserves 100 stars!!!

Rebbe Schneerson was a very wise man and for anyone seeking guidance in a chaotic world, they will find straightforward and time-tested values here.

Bought it as a present the person really enjoyed it.

An excellent book for all people. It is simple, uncomplicated, and gets to the point. I really enjoyed the way this book presents Judaism to people like 'me'. No camels, no rocking back and forth, no goats. Simply put this book teaches you to be nice, act kindly, and try to find Godliness in everything you do, all the time. I really hope you'll read this book.

Universally appealing in its wisdom and encouragement of personal growth and advice on how to lead a meaningful life. This is a book you buy in bulk and give to every person you love, hoping to bring them a little piece of the love, kindness, and positivity that this book encourages.

This was by far the most life-changing book I've ever read. It put to words so many things I've felt in life. The lessons I learned from this book have inspired me and informed my life on a daily basis.

Rabbi Schneerson is a uniquely, brilliant communicator, who spoke of religious belief in such an intelligent way that even "secular" Jews, like myself, feel his spiritual message. His admiration from his many, many followers, Jew and non-Jew alike, is well deserved. His Gold Medal bestowed by unanimous consent for his contributions is testament to his compassion and insight. Everyone should read *Toward a Meaningful Life*.
