Customer Reviews

Very old timey and fun. I have been wanting to improve my penmanship with my fountain pens, and this was perfect for that purpose. Great instruction and lots of room to practice. My penmanship is already looking better!

Just not what I thought it would be, it is not a stand alone piece in my opinion. It should be purchased with the rest of the curriculum.

Great copy book for learning spenserian or just to improve your handwriting.

Teach yourself something beautiful. Really nice descriptive book. So much fun to practice. Really enjoy it.
