Holt Geometry: Student Edition Geometry 2003

Synopsis

Because mastering geometric concepts is challenging, Geometry employs a step-by-step approach that focuses on applying these concepts to everyday life and making geometry accessible to all of your students. Your students will gain a full range of understanding with hands-on activities, technology that adds visual depth to lessons, and online homework help from go.hrw.com. The program also features a variety of planning tools, key teaching concepts and strategies, and other resources for teachers. You will have flexibility in planning your lessons with all of the technology resources we offer with this program--internet activities, lesson presentations, etc..

good

The book is like new and received before the estimated time. I will purchase again when needed.

Thanks for the great deal.

i lovd it it was like brand new and it didnt even have a tear or ripp in it there where no writing in it at all i recomend this book.
