Katharine Kenah's Family Favorite is her grandmother's grandmother's brownies. The recipe for these delicious, fudgy-rich treats has been passed down for generations. Besides these delightful easy readers about Room 75, Katharine has written *The Dream Shop*, *Eggs Over Easy*, and many exciting nonfiction books for children. She lives with her family in Granville, Ohio. Abby Carter loves to bake—especially blueberry pie, her Family Favorite. When she's not making a racket in the kitchen, she stays busy illustrating many beautiful picture books and early readers. Abby lives with her family in Connecticut.

My grandchildren love to cook. They have their own chef hats and aprons and we bake something

almost every time they come to my house. They are six and eight and both like this book.

Great book with a lot of challenging words for little readers. The proper names can be tough some times because they use weird names. But I'm not going to take any stars off for that.

My daughter loved this book! She loves to play kitchen, restaurant chopped, and any other imaginary game you can think of with cooking. Because of this, I downloaded this book for her Kindle. She was so excited and read the book twice. She goes to the book on our Kindle to use as her "register."

My nephew loved this book. He liked that the little sister always wanted something different. Great book for young readers.

shy student who loves to cook also loved receiving this book

Christmas Gift

Great for beginner readers.

Quick read for my daughter and has four short stories. My daughter loved it.
