I'm a teacher and this is the best AP prep resource I have found so far for my students.

This was just the book I needed! It was well organized and truly helped me study for my AP test. Barron's is a trustworthy study aid. I bought all of my AP prep books from them (a total of 9 in two years). Really happy with the end result.

Well-constructed overview of the AP exam. Each section offers example test questions with exemplary answers. Oral practice and listening practice make use of CD portions. Two example exams allow for actual timed practice. Provided answers are helpful. Can be used by both teachers and individuals in preparation for the exam.

perfect tool to prepare and help students prepare the French AP

Great book to pass the exam!

Book came quick, but 2 of 3 cds were missing...and that is a large part of the test.

Great seller! Great product for a high school classroom! Thank you!
