Book by Petretti, Allan, Beyer, Chris

I thought this would be a book I couldn't live without. Thankfully, I didn't pay a lot for it, but I NEVER refer to it. Yes, it's got nice big pix of the usual trays, but the vast majority of CC trays?...you won't find 'em here. Precious little content, unlike the other CC trays book out there, which blows this one out of the water. If you can pick this one up for a handful of dollars or less, buy it. But don't expect much for your money.

This is a very nice hardcover price guide book on Coca Cola trays. Nice clear color photos of the trays. Great book for the collector or dealer. I highly recommend this book.. Thank you

Good stuff at a great Price!
