Veterinary Immunology - Text And VETERINARY CONSULT Package: An Introduction, 8e

Synopsis

Veterinary ConsultThe Veterinary Consult version of this title provides electronic access to the complete content of this book. Veterinary Consult allows you to electronically search your entire book, make notes, add highlights, and study more efficiently. Purchasing additional Veterinary Consult titles makes your learning experience even more powerful. All of the Veterinary Consult books will work together on your electronic "bookshelf", so that you can search across your entire library of veterinary books. **Veterinary Consult: It's the best way to learn!**
Book DescriptionSince 1977, this outstanding book has been the immunology reference of choice for both veterinary students and practitioners. It's the only complete resource on the subject, featuring a straightforward presentation of basic immunologic principles with comprehensive information on the most significant immunological diseases and responses seen in domestic animals. This meticulously updated new edition explores the latest advances in the field and provides a wealth of clinical examples that illustrate and clarify important concepts.
