Quilting 101: Master Basic Skills And Techniques Easily Through Step-by-Step Instruction

Synopsis

Written with the absolute beginner in mind, this book teaches all the basics for machine quilting with step-by-step instructions and photographs. Quilting skills are learned by working on projects, beginning with something very easy and getting progressively more difficult as the reader works through the book. New skills are explored in depth as they are introduced. The introductory section covers all the basics of quilting-choosing fabric, quick cutting techniques, sewing seams, completing a quilt top, layering and basting, and both hand and machine quilting methods-making this the most comprehensive beginner's book available. The accompanying online videos include a how-to guide illustrating quilting basics, demonstrating all projects, and offering the complete book pages in PDF format.

Book Information

Series: 101

Spiral-bound: 176 pages

Publisher: Creative Publishing int'l; PLC Spiral edition (March 1, 2011)

Language: English

ISBN-10: 1589235738

ISBN-13: 978-1589235731

Product Dimensions: 8.1 x 1 x 9.5 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 39 customer reviews

Customer Reviews

Creative Publishing international is a worldwide publisher of how-to books. The company's current retail offering includes over 300 titles on topics covering home improvement, home decorating, sewing, crafting, hunting & fishing, and photography. Over the past 15 years, CPi has developed high-quality photography step-by-step books with nationally recognized brand partners like Black & Decker and Singer.

This book provides easy to understand instructions with many illustrations for the basics of quilt

making. Our granddaughter will appreciate the information in the book. I've been a quilter for 20 years, and I believe this book is perfect for a beginner.

This book helped me a lot and I would highly recommend it

good instructions and projects; pretty comprehensive

Excellent!!! Easy to read through and learn from! Well Written & Illustrated.

I'm glad I ordered this set. The book is good, but the enclosed DVD is marvelous. It gave me the confidence I needed to get started on learning to quilt. I can play portions of it as I come to places I don't know how to complete. It walks me through, step-by-step.

The book itself will probably be a good tool. I am just learning how to quilt. However, the DVD that came with the book is stuck to the inside sleeve. I may try to contact the manufacturer. I don't know if that will get me anywhere. As I said, though, the book has a lot of good info that I will use in my adventure to learn how to quilt.

For beginners, good book.

wife is happy.....priceless
