The best daily devotional I have ever read.

I like having each devotional dated, so I never have to think about which to read each day. I love reading the short passage and then the devotional that always seems so applicable at that moment. But my favorite part is the "talking to God" prayer part which helps to guide my prayer times in a honest and approachable way. No fancy words, just from the heart :) Best of all, each day is only a page so it's very manageable. This book has been so helpful in encouraging me to make more time for God

amazing book. bought extras to give away

I love this book. The scripture selection for each devotion is a substantial quantity, so you will need to have your Bible on hand. I would not consider this a devotion portable for travel, but one for a

nice home quiet time. The cover is absolutely beautiful. I have placed this devotional on my bench in the living room so it is at hand.

Absolutely love this devotional! I purchased this once before and gave it to a dear friend because it was just that good. It helps me to get in my bible daily and to read that certain amount of verses that it gives. I'm 26 and this is exactly what I need to stay focused on my walk.

I have enjoyed reading the Daily God Book very much after receiving it as a gift from a family member last year. Purchased it from you to give as a gift to my daughter as I knew she would enjoy it too.

My very favorite daily book, great issue and in good shape. Thank you!

Great devotional!!! There is substance in this book that anyone can relate too. A must for anyone who wants to be motivated and while using the Bible to reflect on your readings. Very good book for anyone to use to get closer to God!
