# The Three Worlds Of Jayne Ann Krentz: All Night Long, Lie By Moonlight, Ghost Hunter

## Synopsis

**All Night Long (Krentz):** Shy, studious Irene Stenson and wild, privileged Pamela Webb had been the best of friends for one short high school summer. Their friendship ended the night Pamela dropped Irene off at home - and Irene walked in to discover her parents' bodies on the kitchen floor. It was ruled a murder-suicide, and Irene fled Dunsley, determined to wipe out every memory attached to her northern California hometown. But now she has been summoned back.

**Lie By Moonlight (Quick):** Hired to tutor four orphaned girls at remote, ramshackle Aldwick Castle, Miss Concordia Glade is pleased to find her pupils both eager and bright. Provided for by an unseen benefactor, they are surrounded at all times by hard-eyed guards in the guise of gardeners - and their previous tutor, she learns, disappeared under mysterious circumstances. Private inquiry agent Ambrose Wells finds himself on the castle grounds - and in the middle of chaos. The building is in flames. People are dead. And a woman and four girls are fleeing on horseback.

**Ghost Hunter (Castle):** Local Guild boss and powerful ghost-hunter Cooper Boone is everything botanist Elly St. Clair could ask for - the handsome, strong, and silent type. Maybe too silent. For when Guild secrets threaten her career at the college, Elly has to call off their marriage - and leave small-town life behind... But starting over in the thriving metropolis of Cadence City isn't easy, especially when one of Elly's new friends disappears in the eerie catacombs beneath the streets.

## Customer Reviews

Jayne Ann Krentz is the author of fifty New York Times bestsellers. She has written contemporary romantic suspense novels under that name, as well as futuristic and historical romance novels

under the pseudonyms Jayne Castle and Amanda Quick, respectively. She lives in Seattle.

Loved this three CD set. I travel a distance for my job and listen to books on CD. This same author who uses two additional pseudonyms bundle three stories of each of them together. I am a Jayne Ann Krentz fan. This was my first experience with her other inner writers. Loved them all. I can't begin to imagine the ability to take n three different mind sets in creating her stories. I look forward to reading more from all three authors.

I liked having the three in one. I found out that I liked Jayne ann Krenz the best of the three. I like Jayne castle the least. I just don't care for futureistic books. Not surprising, because I don't like Star Wars either. Just amy personal taste.
