This book, Powerful Keys to Spiritual Sight, is a full, but condensed presentation of the instructions Michael received from the Lord about seeing in the spirit realm. Michael presents these simple, practical instructions in such a way so that everyone can easily receive the revelation and learn to walk in it. Michael takes you step by step through his own journey of learning to see in the spirit - supporting his revelation with the scriptures. Michael shares that many people have seen in the Spirit throughout their lives yet never had an awareness of it. Many people have literally seen angels unaware just like the scriptures tell us." In this powerful, little book, Michael tells you how to have an awareness of the unseen realm, so that you begin to see with greater and greater clarity into the spirit, and seeing then becomes normal, everyday life. In Michael's Own Words: "After the Lord Jesus had taught me about seeing in the spiritual realm, I wanted to teach everyone to see. Seeing the unseen changed my life and my Christian walk so profoundly that I wanted to share it with as many others as I could. It isn't a fantasy -everyone can have this!" This really is something that ALL believers can have -

Customer Reviews

I love, love, love this book, typos and all! There is such a need for the practical in all things Kingdom for most of us if we are to really be able to experience it to the degree that we hunger for. Flowy, eloquent metaphors and bright starry descriptions of experiences are nice, but they rarely do more than make me marvel at what someone else's experience with our Daddy is like. Michael, I know that there is a price for putting things out there that actually help those of us in the body of Christ who yearn to know Him in an experiential way--have a real relationship with Him where He lives ("Come up here!"). The enemy would love it if our Jesus just stayed on the pages of an ancient book. Thank you from the bottom of my heart for putting it out there anyway!

This is a very simple yet powerful tool in the hands of anyone who longs to see in the spirit. I highly recommend this to new believers as well as those who may already have some experience with seeing in the spirit. The spirit realm will open up to you as you read. This book has a tangible anointing as do all of the books that I have read by the author.

Very well written and concise. Easy to read and follow. Each section is short and to the point. This book will help you grow in your ability to interact with the spirit realm -- IF you engage in exercising what he suggests. I highly recommend you read this book. Get your copy today! :)

I have always felt and thought did I just see that or am I imagining things well no more I will keep my spiritual eye open from now on. He has a very different approach but may be that's just what we

need a different way.

This book is for people who hunger to know about things in the Spirit. When Adam and Eve sinned "Their Eyes were Opened", which should not have happened. Our Lord Jesus Redeemed us, hence we can have what Adam had..and much more better!!!

All people of God must take a testimony with faith that the Man or Woman of God is giving a true testimony. Search the scriptures to see if they fall in line with what God has said

As always, Michael gave us a great book. I bought the first one and I couldn't resist buying this abbreviated version. It was that good and definitely has added much to my experience.
