Lisa Wheeler began writing for children professionally in 1995 when she sold her first story to Humpty Dumpty magazine. Over fourteen years and over twenty-five books later, Lisa is living her dream. "I love the world of children's books," she says. "I love everything about it, even the smell!" Lisa has won several awards in the course of her career, including the Texas Bluebonnet award, the Michigan Mitten Award, the Missouri Building Blocks award and most recently, the 2008 Theodore Seuss Geisel Honor. Her recent books include Dino-Hockey, Dino-Soccer, and Dino-Baseball. Lisa currently lives in Florida with her husband Glen and her two elderly dogs.

My kiddos love all the dino sports books... If they find out there's a new one coming out, I'm in

trouble if I don't preorder it. I heard from a very wise person once, that your only as happy as your unhappiest child.....so needless to say if both mine are happy so am I.

I really like this series of books, my kids will grab them all and I will have to read each one as they lead into the next. My youngest son is into dinosaurs so this series is perfect for him. I like that they rhyme and the creative nature of the stories. I would recommend this book (and the others) to anyone who has kids who like dinosaurs.

It's amazing Why do the meat eaters always win like it because you made it fair when the meat eaters won twice the the plant eaters won

[illegible]

My son, who's a HUGE sports fan, loves the Dino books. He has everyone of them and can't wait till the next one comes out. The rhyming is fun and Lisa Wheeler seamlessly weaves sports terminology into the stories. My son has been begging for Dino-swimming and was quite disappointed it won't come out till June or July 2015.

We love these books! Great pictures, sport related vocab, and catchy rhymes. Plus, dinosaurs!

What's not to love?

I have purchased all the Dino books for my grandsons and this one is the latest on the series. They are 3 & 5 and love every single one.

Our whole family thoroughly enjoys the pictures and stories of all Dino sport books! This one is just

as great as the others!

great
