# All I Want For Christmas

## Synopsis

Zeke and Zack Taylor, motherless six-year-old identical twins, are facing "real" school—first grade—and they are worried. Their father, Mac Taylor, is a builder who fixes up old buildings in their small town, and the boys are afraid he'll be too busy to help them out with the new demands of their school. They decide to write to Santa and ask for a mother. When they see the new music teacher, Nell Davis, at school, she meets all their requirements, and they realize this is the mom they've requested. Mac is attracted to Nell, but is reluctant to pursue her, as his wife had walked out on him, and he doesn't want to risk hurting his children. The romance blossoms despite his fears, and the story is filled with the joy and anticipation of Christmas as the magic of the children's wish comes true.

## Customer Reviews

Nora Roberts is the number-one New York Times-bestselling author of more than 190 novels, including *The Search*, *Black Hills*, *Tribute*, *High Noon*, and many more. She is also the author of the bestselling futuristic suspense series written under the pen name J.D. Robb. Roberts has more than 400 million copies of her books in print.

I have read all of Nora Roberts and JD Robb, so when I started to read this it sounded familiar . I hate that different publishers , NOT Nora retitle her books and sell them as new. I enjoyed the story a second time, but It made me mad that I spent money on a book that I had already read. This has happened a few times with her and other authors. It should be mandated that publishers state it is a

reprint of a previous book. The story is still wonderful and timeless.

This is such a great book, that I look forward to going back and reading these stories again like some that I already have, and I am impatient to read the rest of Nora Roberts' stories right now. Hot, Hot, Hot, love scenes, a well written, creative and intriguing story about family plus inventive, vivid characters, all on top of seriously wonderful love and romance. Each story is about one key person, usual in a family, or close group of friends, they are linked through intricate, messy links and it's almost like a movie you get the privilege of witnessing about these people's powerful, emotional, and often times painful journey towards falling in love. Roberts is one of my most favorite author's, and she doesn't disappoint in this series. Her unique style and classy, yet moving love scenes, paint a beautiful picture that leaves a person longing for something similar for themselves. All of that is combined into this fantastic series and make this book a "must-have"!!!! I didn't want to set it down....seriously!! Lol I was nodding off over my book on several different occasions. Worth the price and more to have a Nora Roberts book in your library collection!!!!!!

LOVE IT! All Zeke and Zack want for Christmas is a mom and a woman that will make his father happy, a woman that will love them all. Before Christmas arrives, they write a letter to Santa Claus describing the perfect person and suddenly, Nell arrives to town and the most adorable and sweetest story starts. There's no drama or big difficulties for the main couple to get together; some readers might even find the HEA unbelievable and cliché, but I didn't mind. When I'm reading holiday stories, I want to enjoy the journey, smile, and fall in love. 'All I Want for Christmas' managed to do all three and I absolutely loved it. P.S. This is NOT a new story from Nora Roberts. This is a reprint of her old novellas.

Nora Roberts lends her magical skill to an absolutely beautiful love story. Two little boys want a Mommy for Christmas, if only they can get their Dad in board. ~~~~~

It was a good book. I enjoy her books. I have at least 40 or more. I like the romance and style.

When Nora is on her game, mostly in her earlier books, she is amazing. I read lots and lots of books, some memorable but most not. This one stayed with me. It is delightful. The twins, oh my goodness. In the context of a Christmas story, it is wonderful. 6 yr old twins who want a mom, a hunk of a dad who puts the kids first, a smart, talented new music teacher, a dog, and Christmas

wishes! What's not to love?

I expected nothing less than uplifting and moving. It's exactly what I got! Nora Roberts never disappoints! Read this book for a little whimsical magic. You won't be disappointed!

I love Christmas romance stories and this is a wonderful delightful quick read especially between longer books! Hope others enjoy this Novella by Nora Roberts as much as I did!
