American Girl Cooking: Recipes For Delicious Snacks, Meals & More

Synopsis

Now a 2016 Parents[™] Choice[®] Award[®] winner! The second book from Williams-Sonoma and American Girl, *American Girl Cooking*, is packed with great recipes fit for any occasion! Learn how to whip up tasty treats for movie nights, picnics, fiestas, family dinners, and more! Filled with delicious snacks, soups and salads, main dishes, and side dishes, you[™]ll be on your way to becoming the best chef in town. Cook up some fun with *American Girl Cooking*—the perfect cookbook for the emerging chef (and American Girl fan) in your family. Packed with great, easy-to-follow recipes fit for any occasion, this new title will inspire young cooks to get in the kitchen and create delicious, wholesome dishes and give a great sense of accomplishment. Being able to cook good food is a skill you[™]ll enjoy and benefit from your entire life. With this book as your very own cooking coach, learn how to make tasty and nutritious snacks, soups, salads, main dishes, and more to share with your friends and family. **Snacks:** From caprese kebabs to lemony hummus to hot cheese dip, these recipes are perfect for sharing and satisfying between-meal cravings. **Soups & Salads:** Featuring comforting favorites like chicken noodle soup and creamy tomato soup with cheese toasts and lighter fare like taco and BLT salads, there[™]s something here for everyone. **Main Dishes:** A wide range of impressive-yet-easy dinners, such as rosemary roast chicken, spaghetti and meatballs, and fish tacos with slaw, are both nourishing and delectable. **Side Dishes:** Buttery peas with mint, creamiest mashed potatoes, roasted carrots, cheesy garlic bread, and more round out any meal. *American Girl Cooking* goes with the exclusive line of cookware products from Williams-Sonoma and American Girl, but these delicious recipes can also be made with the utensils you already have in your home. This companion title to *American Girl Baking* will be a staple in the kitchen for your little chef.

Customer Reviews

"The first thing that struck me when opened the Williams Sonoma American Girl Cooking cookbook is how yummy (and healthy!) all the offerings looked in the photos; my daughters couldn't wait to get into the kitchen...This is a good choice for young chefs-in-training who'd like to learn about working in the kitchen and the delicious pleasure of making their own meals." (Parents' Choice®)

American Girl is a premium brand for girls and a wholly owned subsidiary of Mattel, Inc. the world's leading toy company. Since its inception in 1986, American Girl has been devoted to celebrating girls ages 3 to 12 through age-appropriate, high-quality dolls and accessories, books, clothes, movies, and unforgettable experiences. Best-selling lines include Truly Me, Girl of the Year, Bitty Baby, and the classic historical character line BeForever. Since its founding by Chuck Williams in 1956, the Williams-Sonoma brand has been bringing people together around food.

My 11 yr old grand daughter asked for this and seemed delighted when I also bought the Baking edition of the book. She started planning menus immediately.

I got this today for my daughter. We haven't tried it out yet, but the recipes look fantastic and there is a picture for almost every one which is great. There is everything from popcorn to baked chicken parm. And they all look fairly easy, all definitively doable for a 10 year old.

My 7 year old granddaughter comes from a long line of cooks and bakers on her mothers side. Last night my daughter-in-law sent me a picture of her making her first recipe from this book, Cheesy Garlic bread with parsley. What a fantastic book for a young child with a strong interest in cooking.

This was a birthday gift for my 6-year-old granddaughter. She loves cooking with some adult help. The menu ideas and photos offer tasty, as well as do-able, meal and snack projects.

The pictures are beautiful and the recipes appeal to my daughter. Some of the other kid cookbooks we've tried have had really odd recipes that my daughter wasn't interested in. I think this cookbook gets it right.

Moms, grandmothers and girls will enjoy these healthy snacks and meals. Since most cook books for kids provide cupcakes and sweets, this provides inspiration for alternatives!

My four year old loves this cookbook. The recipes are very simple and don't have complicated instructions or ingredients. Every recipe has a picture too which is nice. The food is pretty good too. I also like how they have other cookbooks with different themes as well.

I love all the William Sonoma's AG cookbooks! They are small, but every recipe is precise, easy, & good/excellent for kids with minor adult supervision. Quality over quantity. I/we probably have made about 75% of the recipes in this book.
