Frommer's New York City 2009 (Frommer's Complete Guides)

Synopsis

America's #1 bestselling travel series Written by more than 175 outspoken travelers around the globe, Frommer's Complete Guides help travelers experience places the way locals do. More annually updated guides than any other series 16-page color section and foldout map in all annual guides Outspoken opinions, exact prices, and suggested itineraries Dozens of detailed maps in an easy-to-read, two-color design Explore the city with a real New Yorker, who gives you inside tips on hotels, restaurants, attractions, and nightlife. The best places to eat, from vintage delis to pizza joints to power palaces. Off-the-beaten-path experiences and undiscovered gems, plus new takes on top attractions, and the latest news on the newest hotels, restaurants and hotspots in the City that Never Sleeps. The most frequently updated travel series on the market. Plus, online updates are available at Frommers.com so travelers don't have to worry about out-of-date information. Opinionated write-ups. No bland descriptions and lukewarm recommendations. Our expert writers are passionate about their destinations--tell it like it is in an engaging and helpful way. Exact prices listed for every establishment and activity--no other guides offer such detailed, candid reviews of hotels and restaurants. We include the very best, but also emphasize moderately priced choices for real people. All Complete guides offer user-friendly features including star ratings and special icons to point readers to great finds, excellent values, insider tips, best bets for kids, special moments, and overrated experiences.

Customer Reviews

Frommer's. The best trips start here. Experience a place the way the locals do. Enjoy the best it has to offer. Take a bite of the Big Apple with a native New Yorker, our expert author, who knows what's up (the Bronx) and what's down (the Battery). Outspoken opinions on what's worth your time and what's not. Exact prices, so you can plan the perfect trip whatever your budget. Off-the-beaten-path experiences and undiscovered gems, plus new takes on top attractions. Find great deals and book your trip at Frommers.com

Brian Silverman is a freelance writer whose work has been published in *Saveur*, *The New Yorker*, *Caribbean Travel & Life*, *Islands*, and *Four Seasons*. Among the many topics he writes about are food, travel, sports, and music. He is the author of numerous books including *Going, Going, Gone: The History, Lore, and Mystique of the Home Run*, and the *Twentieth Century Treasury of Sports*. For Frommer's, he has written *Complete*, *Portable*, and *Budget* guides to New York City, as well as *New York City For Dummies*. He lives in Manhattan with his wife and children.

I am a definite researcher. Seems that lately travel guide books have become a little obsolete for there are so many sites online to find all the info you need. I am going to New York City in March as a birthday treat to stay in Times Square and see many shows. I don't live far, will be coming from Boston. I did much research on the area online for hotels, restaurants, sightseeing with some from frommers.com. But I want this trip to be as great as possible so I splurged and got the actual Frommer's travel book. I am so glad I did. This 408 page volume is filled to the brim with well researched, detailed information for anything you may need. I found all the info I needed for Times Square plus taxi costs from the airport, amounts to tip various workers etc. - all things I needed to know. The book is so detailed not only on the biggest tourist areas but on the entire city and gets you very excited to explore different areas of this multifaceted city. I have extended my stay to be able to really feel all areas of the city. The author gives you restaurant listings, hotel listings and sightseeing suggestions for all city sections in all price ranges and interests. For each area a map is provided showing where all the places are located. There is also one huge foldout map included in the book. I must say I found this book priceless with all its up to date info. And the opinions are very honest with the reasons backing the opinion. This helps me with making my decisions. I also give huge kudos to Frommer's for they suggest throughout the book to use frommers.com and other online sites for further information. This is definitely a guide whose purpose is to give you the most info possible. This book is an essential, honest information filled volume that is a necessity to read before and to have during your trip to one of the most famous cities in the world. Highly

recommended.

I had this book to study for a couple of weeks before my first trip to NYC. It was invaluable. It gave information about how to get around on the subway, what to expect from a cab driver, information and ratings on many sites to visit, prices, hours of operation, phone numbers, and so much more. I took the book with me everywhere I went on the trip as a reference. The next city I visit, I will order a Frommer's book to plan the trip. It was a tremendous help.

In depth guide to NYC. Even though its the 2009 edition it is accurate.

This is a very inclusive guide. It has information on sights, restaurants, motels and much more. I liked that the author lists good choices of restaurants for any budget. I order this book used for just pennies and it was in perfect condition. I was so pleased with it for the price. It also includes various maps too. A great deal for the low price!

This book has everything I need for our upcoming NY trip in October. Restaurants, hotels, things to do. Very informative.

This is the second review that I have done for this product. It arrived in a timely manner and in great shape.

My brother had 2 weeks to kill in NYC!!! Frommer became his best friend. Very foreign visitor friendly!

Frommer's NYC guide gave accurate, up to date info, but did not offer much insight or passion about the city.
