- Simplified and clear activities, the first of its kind in any blood type diet book for blood type O.
- Quick reference guide for blood type O to eat right for their type with an easy listing of beneficial foods, neutral and avoid foods including supplements.

The Basis of the Diet The blood diet type as propounded by D Adamo is a blood group diet that follows the blood type O, A, B, AB. It advocated that there are lectins in the blood and lectins in food that we eat. These lectins are actually proteins that once the ones found in food react with the ones found in the blood, it causes a lot problem including weight gain and health issues. When for instance blood type diet O, eat the foods that are recommended for their blood type O, they will avoid this kind of problems. This diet by blood type ensures rapid weight loss and a healthy life. The benefits you will get from being on this diet for blood type O includes:

- Heal yourself by the food you eat.
- Knowing exactly how to eat right for your blood type.
- Eating fresh and unprocessed foods
- Healthy lifestyle.

You are a click away from this exciting Blood type diet O.
