Iditarod Classics: Tales Of The Trail Told By The Men & Women Who Race Across Alaska

Synopsis

Blinding blizzards. Freezing wind. Paralyzing cold temperatures. The 1,100-mile Iditarod Trail Sled Dog Race is a race across the nation's most forbidding, demanding, and dangerous territory. Competitors must be resourceful, rugged, and resilient. Often they must make life and death choices. These are the stories -- in their own words -- of men and women who challenge the elements. Many fans believe this is the best book written about the Iditarod.

Customer Reviews

This book is terrific . . . I promise you, short of getting on a dog sled, traveling into the darkness and running the Iditarod yourself, this will be the next best thing to being there. --Mitch Albom, ESPN / Detroit Free Press

Very good book

This book is an easy read, with great fast facts and fun stories from the mushers. It's a really quick read, and doesn't let each musher go into great depth (they get 5-6 pages each), but it does give a broad range of viewpoints. There is an update to this volume that picks up where this one leaves off, and most of the modern superstar mushers are in that volume: *More Iditarod Classics: Tales of the Trail from the Men & Women Who Race Across Alaska*

Great stories of home.

The race and care of current dogs has improved. The writing is mostly pretty bad but the stories are good if you can get over the poor delivery.

Very interesting. Money well spent.

Thanks for the quick delivery. The book arrived well within the time stated. The topics are for an older age group than I had thought, so I have enjoyed it - and put it away for the grandchildren to be more discerning.
