Orbit: The Cast Of Doctor Who: A Graphic Novel

Synopsis

Doctor Who is the longest running Sci-Fi TV series of all time. The secret to its longevity is its uncanny ability to recast the lead actor every few years. But who are the people behind "The Doctor?" The Cast of Doctor Who takes you back in time to learn about the personal histories of William Hartnell, Tom Baker, Paul McGann, and the newest incarnation of The Doctor, Matt Smith, including a bonus bio of 1960's Doctor Who Movie actor Peter Cushing.

Customer Reviews

Obviously, the moment we discovered the existence of this gem, we needed to have it. Good Reads" They manage to keep my attention for the entirety. And you know how happy educators like me get when the kids read these days instead of simply wasting their time with video games, charm bracelets, and fake nails - Vanity Fair Magazine Doctor Who is a TV series that will live on forever. This graphic novel does it justice and pays tribute to all the actors to ever play the role.

It's hard to pin down Salamoff to one particular profession. An over twenty-year veteran of the industry, he has found success as a Writer, Producer, Film Executive, Comic Book Creator, Author, and originally as a Special F/X Make-Up Artist.

This was not what I expected. I expected a graphic novel about Dr. Who. Instead this turned out to

be just a list of actors who played Dr. Who.

I HATED THIS COMIC! Although I thought it was a Doctor who graphic novel, at first it was fun to read about the actors who played "The Doctor", they skipped a few actors, but the most horrible thing was when they spent time with Matt Smith, and the imbeciles do not even put David Tennant. DO NOT BUY THIS COMIC IF YOU DONT LIKE MATT SMITH!

I figured with a title speaking of the cast, there would be more meat and potatoes in this book. More of a leaflet than a graphic novel, this book only profiles William Hartnell, Tom Baker, Paul McGann, Matt Smith and Peter Cushing. Each story is only a few pages, and the narratives are limited. The art is quite good, I just wish there was more of it. Shame on me for not looking into this title more before ordering. If you are expecting to get a rundown of all 11 television doctors, sorry you are out of luck. If Bluewater had done this like the Beatles book, a large tome of information, this would have been great. Next time take the time to flesh out a full size Graphic Novel, this is just a teaser.

I was a little apprehensive after reading the reviews - I enjoyed this graphic novel!! I learned about the actors and it is a nice addition to my collection. I know they are working on a follow-up I will be getting that as well!
