Anita Ganeri is an award-winning author of information books for children. Educated at Cambridge University, she has written more than 300 books, including the best-selling 'Horrible Geography' series (Scholastic Children's Books) which won a 2009 Blue Peter Book Award. She writes widely on animals and the natural world. A recent title for Raintree, *A Day in the Life of Rainforest Animals: Capybara*, has been shortlisted for a Maryland Blue Crab Award 2012. Anita lives in the north of England with her husband, children and assorted pets. --This text refers to an out of print or unavailable edition of this title.

Beautiful pictures in these Traditional stories.. There are extra tidbits of information included as well after each story, all designed .to guide children to right actions.

Love it and so does my daughter

Very nicely put together, my son loves reading these stories.

Beautiful book, great way to teach the children.

Great stories and easy for your kids to understand
