Barron's AP Human Geography Flash Cards, 3rd Edition

Synopsis

A set of more than 460 flash cards presents frequently-asked questions that appear on the AP Human Geography exam, with terms defined and concepts explained on the reverse side of each card. Questions cover all test topics. The cards measure 4 1/2" x 2 3/4" and have a punch-hole in one corner that accommodates an enclosed metal key-ring-style card holder. The ring allows students to arrange flash cards in any sequence that suits their study needs. Here is a valuable study aid, whether used alone or in tandem with Barron's AP Human Geography test prep manual.

The cards are fine I guess. They are modern "speak" for what we 70 plus old people called Sociology. Unfortunately, the one and a half inch ring sent with these flash cards it too small to hold all 44' cards. I still have a about a 100 to go. I can not let the 2 children (ages 14 and 16yo's) who need them for school near them till they are all on rings. Teens or any of us are too likely to mix them up alphabetically and get frustrated when they can not find the one they need. Now I will have to go to town to get a second ring. The whole Idea of using is to avoid a 45 min. trip down the Mountain Parkway.

As exciting as flashcards can get.

The kid used them

Great price and great for AP test. My kids really use them and love them

Just what we needed.

Amazing for studying! The cards were organized by unit so I could focus on my weaker areas and the box came with a ring to hold cards. The week before the test I went through the whole deck and took out cards I needed to review more. Each day I had a different set of cards to look at during passing periods or when I was waiting for practice to start. By the end of the week (the test was on a Friday morning), I felt secure going into the test and I certainly wouldn't have without these notecards. THEY SAVED MY LIFE!

These were a huge help in helping my freshman daughter pass her AP Human Geography exam. Highly recommended!

Purchased for my daughter who is taking the AP exam in May.
