Our 4-year old twins love PJ Masks, love reading, and really enjoy these books. These books are great for learning to read, and aren't too long.

This is a cute book. My 4 year old loves it, she's really likes Pj masks. She loves to have me read this to her, and nearly has it memorized

Grandson and granddaughter love them, but other does not...it's a book on a hyped up show that I don't like, but they get to read.

I wish the writing was boxed out for easier reading against the dark background for all the pages.

3 year old granddaughter loves it, she looks forward to reading before bed every night.

It is a good book about the PJ Masks cartoon series. My grandchildren liked the story. It was worth the money I spent on it.

Great little story for all the little ones these days who are hooked on PJ Masks to save the day!

Perfect for my daughter who is obsessed with PJ Masks!
