San Juan Island & Gulf Islands Nautical Recreational Map - Laminated

Synopsis

Boating and exploring one of the most popular cruising areas in the world is now easy with this colorful planning map of the San Juan and Gulf Islands. The map covers Deception Pass west to Victoria, and north from Bellingham to Nanaimo. All harbors, coves, anchorages, and Cascade Marine Trail sites for kayaks or canoes are noted, as well as public and Provincial parks. Fine Edge's Proven Cruising Routes™ are shown with the Latitude/Longitude GPS waypoints listed for all key locations and the turning points for the routes. The map, by Don Douglass and RÃfAnne Hemingway-Douglass, is a perfect compliment to their best selling Exploring the San Juan & Gulf Islands cruising guide to plan your next trip to the islands. The 2 sided map is 36 wide by 24 high. The back of the map includes the Canadian Gulf Islands and the GPS Waypoints for the routes shown and all major harbors and coves on the map. The rolled and laminated version of this map makes a great wall display for hanging in the den or office. It is perfect for referencing the location of your favorite locations for a future or past trip. On the boat, it can be used as a high level overview map of the San Juan and Gulf Islands for trip planning with a dry marker. This laminated map is delivered rolled and can be framed or mounted.
