The Senator's New Pets

Synopsis

• A young submissive to warm an old general's bed. • He knew he was going to claim them both the moment he saw them. Eyes darting to and fro, hair disheveled, pretty clothes torn in rags where the ruffians had obviously attempted to have their way, the guilt in their eyes, the panic in their shivering bodies simply left him no choice. Two beautiful women, one young and innocent, and the other "in search of her true self. Both of them on the run. From whom and why were distant concerns that would soon be elucidated anyway. Perhaps the trip to the whorehouse hadn't been for nothing after all. Mounted on his black stallion the tall white-haired senator glowered down on the hapless women and marveled at his luck. One complete story of more than 23,000 words.
