Stephen R. Covey is a renowned authority on leadership, a family expert, teacher, organizational consultant, and vice chairman of FranklinCovey Co. The author of several acclaimed books, he has also received numerous honors and awards, including being named one of Time magazine's twenty-five most influential Americans. Covey lives with his wife, Sandra, and their family in the Rocky Mountains of Utah.

Stephen Covey fleshes out aspects of the SEVEN HABITS that are especially rich in meaning and worth exploring. The habits build oneach other so that success with one habit makes work on the next onemore productive. Rather than being a step-by-step guide, the programurges us in a general way to get our thinking and emotional liveslined up with our principles. This internal consistency will help whenwe try to get anything done in the world. It's a healthy reconnectionwith the principles embodied in the SEVEN HABITS and a solidinvitation to stay integrated when trying to achieve anything in life.T.W.
