Egg Shop: The Cookbook

Synopsis

An appealing, stunningly designed full-color cookbook featuring more than 100 recipes for favorite food and drinks from the Egg Shop, New York City's beloved all-hours brunch-and-cocktails hangout. For first-time restaurateurs Demetri Makoulis and Sarah Schneider and chef/partner Nick Korbee, eggs aren't just an easy, protein-packed breakfast go-to, but an extraordinary complement to New York's wealth of local produce and artisanal meats, grains, and cheeses. With Egg Shop anyone can create their delicious Egg Shop experience at home—whether it's a quiet breakfast for one or a boozy brunch for twenty. Inside you'll find proper egg-cooking techniques as well as instructions on incorporating eggs into super-delicious dishes from the health-conscious to the decadent, using fresh, delicious ingredients: homemade seeded rye bread, the best-quality bacon, and the perfect melting cheese. After mastering the most common and useful egg cooking methods (scrambled, poached, fried) Nick Korbee teaches you how to unlock egg superpowers—coddling them in Mason jars full of truffle oil and basting them with coffee-infused compound chocolate-bacon butter. Egg Shop includes flavorful favorites like Eggs Caviar, Classic Eggs Benedict, Pop's Double Stuffed, Double Fluffed American Omelet, Egg Shop Egg Salad, and The Perfect Sunny Up. Nick shows how to build on those basics to create sandwiches, bowls, and other egg-citing dishes such as: Egg Shop B.E.C with Tomato Jam, Black Forest Bacon, and Sharp White Cheddar The "Fish Out of Water" Sandwich with Pickled Egg and Cognac-Cured Gravlax Green Eggs and Ham Sandwich with Double Cream Ricotta and Genovese Pesto The Spandexx Break Bowl with Red Quinoa, Pickled Carrots, and Poached Eggs (every model's favorite low-carb feast!) The California Breakfast Burrito and more! Infused with the creativity and playfulness that makes Egg Shop a one of a kind culinary treasure, Egg Shop is the home cook's perfect egg-scape.

Customer Reviews

If your passion is breakfast perfection, check out this meticulous cookbook from New York City restaurant Egg Shop—wide-ranging dishes, drinks, and accompaniments with a precision that recalls J. Kenji López-Alt's *The Food Lab*. Highly recommended for anyone seeking to reinvigorate breakfast and brunch. • (Library Journal) "The concept—a small restaurant that served the best egg sandwiches and Bloody Marys all day—turned out to be a winning combination. Learn how to poach, bake, scramble, and boil eggs like a pro in order to incorporate them into terrific dishes. Plenty of exciting new staples here. • (Publishers Weekly) "A best new cookbook for spring 2017! This hit NYC restaurant's egg guide leaves no cooking method unturned. • (Tasting Table) "More than a cookbook! There are plenty of recipes for popular dishes like Egg Shop's take on the bacon, egg and cheese sandwich and its 'Spandex' bowl of poached eggs. But the book also functions as a complete, and frequently very funny, guide to understanding the egg as an ingredient. • (T Magazine) "Poached eggs are having such a moment! The chef at the always-mobbed New York City brunch destination Egg Shop has spent hours in the kitchen refining the process. [in] Egg Shop, Korbее's sharing his technique" plus passing along the recipe for his life-changing smashed avocado and poached egg toast. • (Well and Good) "As evidenced by the menu, and in *Egg Shop: The Cookbook*, Korbее likes to have fun in the kitchen. And why not get creative with the cocktails, too? Korbее has been successful in reshaping the way people enjoy both dishes and drinks generally enjoyed at a certain time of day. • (Thirstymag.com) "A best new cookbook for spring | from the classic NYC brunch hotspot, comes an equally amazing cookbook which combines all the best flavors of the establishment's acclaimed menu. • (Domino.com) "A spectacular collection of recipes from New York City's hot spot! With a playful, hip vibe just like the restaurant itself! Every breakfast and brunch item in this book will revive our weekend mornings. • (Eat Your Books) "Egg Shop: The Cookbook is inspired by all things egggy and delicious. Inside Korbее serves up creative dishes, incorporating fresh and artisanal ingredients, for every mood and occasion. • (Health.com)
