Customer Reviews

Gift for my dad that he loved!

This book is a must-have if you're visiting the area. The cultural-historical sketches are very useful to the visitor. I only hope that the author turns his attention to Cuba next time.

Carry this one with you. Images, information, and tips from someone who knows. Can't get better than that!

VALUABLE INFO

This should be titled "pictures of forts." I was looking for a travel guide to the Caribbean - where to go, what to avoid, etc. Instead what it is, is one person's photos taken on a travel ship tour. I liked the pictures, but would have liked them better if they were something other than old forts. Also they were all B&W.

Very limited information.
