A magnificent saga of American fiction, the Sacketts series is one of the greatest treasures by legendary storyteller Louis L'Amour. In *The Daybreakers*, L'Amour spins the tale of two brothers who couldn't be more different -- yet remain bound by their restlessness of spirit. "RIDE WITH THE LAW, NEVER AGAINST IT". You had to push to start a fight with Orrin Sackett, but not with his

brother, Tyrel. Tye had been born to trouble, and the night he stepped between his brother and a bullet changed the course of both their lives forever. Now their trail pointed west, to Santa Fe, a frontier town on the edge of violence -- but justice had to come before putting down roots in a lawless land. Orrin took on the job of marshal, while Tye commanded fear and respect even without a badge. But when a loose end from their past turned up, one brother was forced to revert to his old ways -- if the other's dreams were to be realized.... --This text refers to an out of print or unavailable edition of this title.
