The Adventurer's Guide To Pana Living: Living In Panajachel, Lake Atitlan, Guatemala

Synopsis

The most comprehensive Guide to Panajachel ever! Unique, Unusual, Unmatched Beauty, Panajachel is a Retirement Gem in the Rough. Cost of living is very reasonable; there is modern medical care available, weather is moderate, and the natural beauty of the country is stunning. Easy access from the U.S. and Canada. If you would like a unique style of retirement, living alongside an ancient Mayan indigenous culture, with one of the most beautiful lakes in the world as a feature point, Panajachel, Lake Atitlan, Guatemala is worth a look. A life at lakeside is living in a small community where people know who you are and say good morning to you on the street. Fresh fruits, vegetables, meats, fish and other foodstuffs are abundant and knowing shop owners is a way of life. A strong feature of this town is that there is much human engagement on a daily basis. This guide is specifically about living in Panajachel, or "Pana" as everyone calls it, with some useful information about other towns around the lake. There is a short glimpse into Antigua, one of the first cities to be named the capitol of Guatemala, and a must-see city.
