Cincinnati Revealed: A Photographic Heritage Of The Queen City (OH) (Images Of America)

Synopsis

Cincinnati Revealed: A Photographic Heritage of the Queen City, features nearly 200 rarely seen photographs and vintage postcards. Through these striking images, together with the insightful text, authors Kevin Grace and Tom White take the reader on a unique visual tour of this historic river city. It is a tour well worth taking. Since its inception in 1788, Cincinnati has evolved from a brawling pioneer town to a thriving Midwest metropolis, experiencing rapid growth and unprecedented social and technological change. Highlighted in this volume are the city's spectacular architectural achievements, its centers of culture and learning, its hubs of industry and transportation, its legendary sports tradition, its diverse neighborhoods, and, above all, the spirit of its citizenry.

Customer Reviews

Kevin Grace, archivist and historian at the University of Cincinnati, is a member of the Society of Ohio Archivists and several other professional organizations. Tom White, expert in local art, architecture and entertainment history, is head of Conservation and Binding at the University of Cincinnati. Join them in this fascinating story of Ohio's Queen City.

This book was purchased as a gift for a friend who was born and raised in Cincinnati, and she loved it.

Shipping was on time, book as described.

Beautiful book and gave me a nostalgia from our past in Queen city.

Ok but expected more.

Great pictures of the city

nice

Excellent Book

Preserving our photographic history is important, and displaying this heritage for the public is a worthy endeavor. This book, like the other titles in this series, does a great job of showcasing my hometown, as other titles in the Images of America series also do with cities and various other subjects across America. These books are worth ten times the price and are the sort of rewarding read that almost anyone, old or young, can enjoy.
