Tales From A Not-So-Talented Pop Star (Dork Diaries #3)

Synopsis

Rachel Renee Russell serves up more laughs and adorable illustrations in the next installment of the bestselling DORK DIARIES series. Nikki Maxwell hasÂ been doing everything she can to keep everyone at school from learning the truth--that she's there on scholarship in exchange for her Dad working as the school's exterminator. The last thing Nikki needs is having her friends and--worst case scenario--her crush, Brandon, associating her with the humongous roach on top of her Dad's van! Now it looks like her secret could be about to come out, and Nikki's willing to go to any zany and wacky length to prevent that from happening. The timing seems perfect when a major talent competition is announced with a school scholarship offered as the top prize. Nikki loves to sing and dance and now she gets to have tons of fun with her friends while competing for a chance to free her Dad from his obligation! (And free herself from all that potential damage to her reputation . . .) Once again, hijinks and misunderstandings aplenty ensue, as well as more hilarious and heartwarming moments with Nikki and her friends.

This is book 3 in the Dork Diary series. My daughter is 10 and loves the books. It's her first series she has shown continued interest in. The illustrations are fun and fresh. The stories are relatable and easy to read.

She loves the whole Dork Diaries series, she's 10 and in 5th grade. I had to pull her away from it!

My 8 year old granddaughter asked for this book after she saw it at a school book fair. She was so excited when I bought it for her and read every day until it was finished. The book was written in a fun style, complete with what looked like hand drawn illustrations. It kept her interest and now she wants more books from the Dork Diaries series. It's nice to find books that she enjoys reading.

My daughter loves reading this kind of book!
