# Escaping The Giant Wave

## Synopsis

The worst vacation ever! Thirteen-year old Kyle thought spending a vacation on the Oregon coast with his family would be great. He'd never flown before, and he'd never seen the Pacific Ocean. Kyle's perfect vacation becomes a nightmare while he's babysitting his sister, BeeBee. An earthquake hits the coast and starts afire in their hotel. While fighting their way through smoke and flame, Kyle remembers seeing a sign at the beach that said after an earthquake everyone should go uphill and inland, as far from the ocean as possible. Tsunamis, giant waves that often follow earthquakes, can ride in from the sea and engulf anyone who doesn't escape fast enough. Can Kyle and BeeBee outwit and outrun nature's fury to save themselves from tsunami terror? --This text refers to the Preloaded Digital Audio Player edition.

Best Sellers Rank: #24 in Books > Audible Audiobooks > Language Instruction > English #49 in Books > Audible Audiobooks > Language Instruction > Other Languages #1291 in Books > Reference > English as a Second Language

## Customer Reviews

A harrowing story written first person from the eyes of a young person about escaping a rare tsunami in the Pacific Northwest when he was in charge of babysitting his younger sister on a family vacation. He and his family had read a sign that morning on the beach about what to do in case of a tsunami warning. This young man bravely went on a long climb inland after feeling a strong earthquake in the hotel where he was with his sister. His parents were on an evening cruise. The story is spellbinding and full of bravery and common sense along with a great perseverance in this young man. A great read!

great book for 10 - 12 year olds

Excellent story. It's fast paced and kept me interested. It took me about 3 hours to finish lol. I'd recommend it to middle school readers who have a somewhat difficult time keeping their interest in a book; this will definitely suck them in. :)

My daughter began reading the book in the classroom and loved it. She had me order the book for her before she finished it. I read with her and it was full of adventure. I would highly recommend this book for girls and boys in the 4th to 6th grade range.

It's so amazing =D I like it it its so cool characters setting and and sad parts to well that's all I need to say bye

Such a great read and it came in great condition. Thank you!

I would like to recommend the book to my mom. Kyle life is awesome. His experiences are so fun to learned about.

I love Escaping the Giant Wave because it had a great deal of feeling and relationship with family members and friends
