A Soul Torn Apart

Synopsis

Daniel and Jasmine had been married for the last 10 years. Some would say that they had the picture perfect relationship. They had it all. The elaborate dream home, two adorable daughters that they adored and everything in between. Daniel even served in their church as one of its most faithful deacons. So what more could a woman ask for, right? But, things weren't always what they seemed. When Jasmine finds out that Daniel once again steps out on their marriage all hell breaks loose. With one secret unfolding after the next, Jasmine begins to spiral out of control. Will prayer be enough to rebuild this broken home or are the skeletons that come tumbling out of the closet be too unforgivable to forgive?

Customer Reviews

Very disturbing. Loved it right up to the end. Captivating story . Could't put it down. Mesmerizing work. Must read if you like real situation stories.you will be total shocked at the direction this story

takes. Not going to tell any more. Just read it.

An absolute page turner!!! All I can say is "hurry up with part 2"!!! Love It!!! LOL! You out did yourself Kathleen!!

This book is a must read book. Enjoyed the characters and don't want to spoil what takes place but to say that there is so much emotion that arises when reading. The story is a page turner that keeps you at the edge of the seat waiting to see what happens next.....the author did a wonderful job giving this book a realistic feel. I can truly relate to.

Excellent read

Can you say, "Page Turner?!" The characters, the plot, the scriptures are all so realistic!! What goes around comes around!

Awesome book! I could not put it down. Made me think of the tragedies that people are facing and provoked me to start praying for them. I can not wait until next book.

Frienemies! Wow! Who would've thought that there was such deep seated hatred for a child turned man who had nothing to do with his father who was a womanizer except to follow in his father's footsteps & almost cause great harm to his family by such unbalanced people. The sins of the fathers & mothers!

Tammie and Don deserves each other they are both psycho. Jasmine deserves better than Daniel but I honestly believe he loves her but his past he needs to deal with. It is hurting his marriage and his future...Waiting for part 2...
