Customer Reviews

Received this item in a timely manor. Was a little dissapointed, it was not the map that was shown on the listing. In very good shape and can still use item. It is just missing several map codes from newer streets.

The seller promised a new book. While the book had not been circulated it was nearly 10 years old and therefore unacceptable as a road atlasI filed a claim with the serller and subsequently with .com but never received a response

I am very happy with this purchase and thr price was unbeatable. I am happy with this choice. Jackir jackson

I'm a realtor and rely on my GPS nowadays, but I still keep these street maps in my car at all times, they are absolutely invaluable.
