Witch Song Series: Books 1-3 + Bonus Novella

Synopsis

The novels in the Witch Song Omnibus have 600+ five star reviews on [Amazon](#) alone. With over 1,000 pages of adventure and romance, these gripping stories will sweep you into a unique world rich with magic. For centuries, a war has been fought—•one that has nearly wiped out the Witches. Without their magical songs, the seasons are breaking apart and the boundaries of nature have splintered. Two women are all that stand between the world and utter destruction. One must pave the way, the other must take up the fight, and both must choose between saving the world and the men they love.

WITCH SONG (Book 1) Brusenna is the last free witch. The dark witch has imprisoned all the others, twisting their magical songs from harmony and growth into chaos and death. With only her guardian by her side, Brusenna must free her fellow witches before their stolen magic brings the world to its knees.

WITCH BORN (Book 2) Brusenna thought it was finished. She defeated the Dark Witch, saving the Witches from imprisonment and death. She found love and a place to belong. But she was wrong. A new threat merges with the old as the Witches' dark history begins to catch up with them. Only Brusenna knows the extent of the danger and how to stop it, though doing so might cost her everything. Including her life.

WITCH RISING (Book 2.5) A ship burns, sinking into the dark sea. There is only one survivor—•a child hunted for the power of her song. Hidden away on an isolated island, Lilette buries her power deep, convinced it caused the deaths of those she loves. But she can't run from who she is. And when her secret is revealed, the only thing that can save her is her song. It's time to rise up and become what she was always meant to be: the most powerful witch ever born.

WITCH FALL (Book 3) Lilette has been kidnapped. An evil prince schemes to graft the enchantment of her lineage into the royal line. Desperate to escape the vicious tongues and poisoned blades of the prince's harem, Lilette blunders into an unlikely pair of allies—•a visiting witch and the prince's own brother. Together, they hatch a desperate escape plan. But beyond the palace gates, another danger looms. An enemy has been searching for Lilette since her disappearance years before. An enemy bent on forever silencing the magic of Lilette's songs, as they silenced her mother and sister's before her. An enemy who would see all the witches fall.

Customer Reviews

There are not many series that capture my interest all the way through. I received a free copy of witch song and was hooked. I bought the Witch Song Books 1-3 + Bonus., and read straight through. This isn't your typical witch story. The story of Brusenna, a powerful but untrained witch, tells of her adventures and voyage of discovery of how powerful she actually is. In the bonus, you are given the back story of how Lilette, the "evil" witch in Brusenna's adventures, didn't start out to be bad. Just suspend your disbelief in powerful witches, and enjoy the ride.

This unique original world will draw you in and not let you go. Brusenna is a young Witch who has suffered the loss of her father and sister. In an effort to protect her daughter from Witch Hunters, Brusenna's mother Sacra left the Witch community to raise her where none would think to look on the outskirts of a village of Witch haters. They receive word that the Dark Witch Espen is behind the Witch Hunters and she has been kidnapping Witches drawing on their powers to subvert nature. Sacra goes to join the few remaining Witches to battle the Dark Witch leaving Brusenna behind. She is left with books on Witch Song and instructions on how to find Haven, the hidden home of the Witches should she not return and trouble occur. She is forced to flee when the Witch Hunters find her and she is determined to free her mother and the other Witches knowing she will have to stop

Espen to do so.

Great books! Was not sure at first, but could not put them down. Stayed up late every night reading late for the story was very engaging. Would highly recommend!

What a beautiful journey this has been. This is story telling at its finest, and slated to be read once again. Teens, ya's, and men and women both will appreciate this trilogy.

I read this book on vacation and it was a perfect vacation read. Light and breezy. I had hoped that book three would have more of a tie in to book 1 & 2 but it was OK when there wasn't much. It was really getting the story of two characters. I like it when you can buy a book set and get the whole story at one time - nothing worse than waiting for the next book in a series.

I was searching for a book to read for free and normally do not get a series because they never are free after the first, but after reading the first book I had to have the rest! I love the character's the story line and the flow! I highly recommend this read!! it will be worth the money spent!!!

Great series.. If the author writes anything else similar then I will definitely read it.

I was genuinely surprised with this series. The first book I got for free so I didn't have high hopes. It was a quick read. The second book in the series was hard to get into but half way through the story really had me engrossed. I finished off the remainder of the series in 2 evenings. Well written and a great story.
