Grimgar Of Fantasy And Ash: Light Novel Vol. 3

Synopsis

The light novel fantasy epic that inspired a critically-acclaimed anime! Haruhiro awakens to darkness and amnesia, among a group of strangers who can only remember their own names...and nothing else. When they make it into the light, they discover Grimgar – a fantasy world that feels like something out of an RPG game. Without apparent skills or knowledge of their surroundings, Haruhiro and his newfound friends band together to form an adventuring party. Only by cooperating, using their wits, and learning new skills can they hope to survive in this dangerous land of monsters and magic.

Customer Reviews

Ao Jyumonji is a Japanese author best known for the Grimgar of Fantasy and Ash light novels. Eiri

Shirai is a Japanese manga artist best known for the illustrations in Grimgar of Fantasy and Ash.

After reading it in a day and being unable to stop myself from wanting more, there is a sad feeling after finding out I will have to wait a few months to continue reading. Definitely ending on a bit of a sickly stomach feeling... hope to continue reading this as soon as possible.

Being at is a fantastic series that brings much needed weight and consequences to fantasy that has been lacking for years

I don't usually read or write reviews but after hoping that the anime for this light novel would continue and it not, I gladly picked up the light novels and am blown away. I liked the anime but have fallen in love with the books. You should try it if you liked the anime and even if you didn't watch, I still highly recommend.

I started reading this series due to the anime release. Even with the slight differences between the light novel and the anime it is well worth to see / read both. This story is a ride worth more than the price tag.

Great book series but gets a little confusing how the thought process and action jumps around so much, but still a great read.

I hope the gang makes it through. Go to is an interesting character... The relationship between him and Choco was an interesting one.

Great story and good battle narration this volume was awesome!

The story picks up after the anime ends with this book sadly it feels like a small part in a bigger picture. But it is well written and self-contained, it leaves off with more to come in a good way I suppose. If you enjoyed the anime or even the first 2 books this is more of the same very easy to read and enjoyable overall and I look forward to book 4 already preordered.
