Customer Reviews

Now in a fully updated edition, this essential text explores the post-communist half of Europe along with the problems and potential it brings to the region and to the world stage. Clear and comprehensive, the book offers an authoritative and up-to-date analysis of the transformations and realities in today's Central and Eastern Europe, the Baltics, and Ukraine. The book presents a set of comparative country case studies, as well as thematic chapters on these key issues, including EU and NATO expansion, the historical base, the economic transition and its social ramifications, the role of women, persistent problems of ethnicity and nationalism, transitional justice, and post-transition gains and losses. New to this edition are chapters on social issues and transitional justice and a comprehensive discussion of the issues raised by the Euromaidan, the international response to it and Russia's intervention. For students and specialists alike, this book will be an invaluable resource on the politics and economics of Central and Eastern Europe, caught between the EU and a resurgent Russia.

Now in a fully updated edition, this essential text explores the postcommunist half of Europe and the problems and potential it brings to the world stage. Clear and comprehensive, the book offers an authoritative and current analysis of the region's transformations and realities – from precommunist history to the victories and reversals in Central and Eastern Europe, the Baltics, and Ukraine, including the Euromaidan and its domestic and international ramifications. Divided into two parts, the book presents a set of comparative country case studies as well as thematic chapters on key issues, including EU and NATO expansion, the economic transition and its social ramifications, the role of women, persistent problems of ethnicity and nationalism, legacies of the past, and political reform. New to this edition are chapters on social issues and transitional justice. For students and specialists alike, this book will be an invaluable resource on the politics and economics of Central and Eastern Europe, caught between the EU and a resurgent Russia.

For me. Dry intereddting I had a prof at srangord who was raised by fsmily in Yugoslavia very anti Tito. Ut great teacher instilled interest in me in the area.
