Customer Reviews

Bought this for myself to read after surgery during my recovery period. I remember reading the first book in the set as a child and loving it. This set is very nice and I loved reading them. Convenient that the books are in a little box so that it's easy to lend the books to others. The set came on time and was properly packaged by . :)

I have loved *Wrinkle in Time* since I was a kid. I have 3 sets in paperback, but had not realized there was a 5th book. I love having it on my Kindle.

Wonderful for all ages. The author has a sensitive regard for life and her readers. Wow! This was a gift to grandchildren since I personally love the set.

I've started to read this series to my kids. I remember reading the first one as a kid but didn't know there was an entire series! To my pleasant surprise, they come in a nice box set. Perfect!

11 Year old girl loves this set!

I read Madeleine L'Engle when I was much younger and enjoyed reading them myself. Now I enjoy giving the books to young people. She's continues to be worth reading!

I first read *A Wrinkle In Time* as a child, and loved it! It was so wonderful to reconnect with these beautiful people, and the stories I hadn't read then charmed me as well. Great books for young people (and the young at heart).

12 year old seems to enjoy the series
