Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

My kids love it because it's Paw Patrol.... me... meh, not so much. I don't look forward to reading it when the kids bring it up. Not a bad book, just that there's so many other great books to add to a home library. Someone who didn't already know or love Paw Patrol probably wouldn't read it more than once.

I had gotten this for my neices 3rd birthday and even thought their dog ate half of it by night time she loved the book. i was once a golden book girl growing up so it is nice to see they are still creating more recent for the kids in todays life time. Highly recommended for both kids and maybe a good treat for those dogs that love to chew!

Very happy grandson and mother! He's 3 it's his favorite character!

Cute book, purchased as a gift for my grandson who loves Paw Patrol

I bought this for our nephew's 1st birthday party and it goes extremely well the theme of Paw Patrol. The mother of nephew is beyond happy that I got this for him.

My grandson is crazy about Paw Patrol and he loves this book.

My Great Nephew loved this for his birthday. The crayons are a good size for his hands, & the pictures are easy for him to color. He liked the Paw Patrol pix on the front.

My 3 yo daughter is a big fan of PP and she loved receiving this cute book for her birthday.
