Fodor's Hong Kong: With A Side Trip To Macau (Full-color Travel Guide)

Synopsis

With cutting-edge architecture, chic restaurants, and hotels alongside ancient temples, outdoor markets, and hole-in-the-wall dim sum establishments, Hong Kong is an intoxicating destination. Whether travelers are stopping over on the way to a farther destination or spending a week in the city, this full-color guide will inspire them to experience all that Hong Kong has to offer. Â

EXPANDED COVERAGE: New hotel and restaurant recommendations have been added throughout this new edition to keep up with Hong Kong's constantly evolving offerings. Coverage of Macau is even more user-friendly and accessible than ever. Â

ILLUSTRATED FEATURES: Full-color photographs throughout, as well as illustrated cuisine and shopping spotlights, bring Hong Kong to life on the page. Â

INDISPENSABLE TRIP PLANNING TOOLS: Features on Top Attractions, free experiences, and what to do with kids make it easy to plan a trip. Best bets charts for restaurants and hotels; easy-to-read color regional maps; and tips on how to make the most of your time make it easy to enjoy the best Hong Kong has to offer. Â

DISCERNING RECOMMENDATIONS: Fodor's Hong Kong offers savvy advice and recommendations from local writers to help travelers make the most of their visit. Fodor's Choice designates our best picks, from hotels to nightlife. "Word of Mouth" quotes from fellow travelers provide valuable insights. Â

ON-THE-GO MAP: A handy take-along companion map of Hong Kong gives travelers essential information about top attractions, walking tours, and nearby dining so they can travel with confidence. Â

Given that I was reading this on a Kindle, I found it very hard to maneuver back and forth between pages and sections. Seems there should be a more intuitive way for a person to access information from different sections such as compare restaurants in different neighborhoods.

It's more descriptive and helpful than other book on Hongkong- 10 Things to do in Hongkong- I bought recently from .

Very good for sightseeing. Not so good for hotels and restaurants, as it leans to heavily on the ultra luxury places, but not enough on harder to find reasonable places. The best places can be found anywhere.

The tourist information is decent, but navigation on the Kindle (for iPad) could be better. Also needs better maps -- why not an offline downloadable zoomable map? This is what e-media ought to specialize in.

Great book for navigating Hong Kong!

It helped, but there's an updated version out now.

I bought this for a short trip to Hong Kong and Macau. I found the content really hard to organize and didn't give me an easy way to understand the city. I have used a number of different travel

guides for other cities and this was first one that hasn't been helpful.

This book is rife with errors. We're on day two of our trip to Hong Kong and there have been two restaurants with incorrect addresses listed in the book. We're now going to have to triangulate every tip in the book online before we take any more of the Fodor's advice. Pretty frustrating.
