Customer Reviews

Included are sixty-eight viewing sites to the best places to watch wildlife in the 49th state, from the rain forests of southeast Alaska to the coastal mountains to the fabled Interior to the northern tundra.

This is a great little book to take on a trip! It is the only wildlife guide we will need to pack (well, birdbooks, but).

This statewide guide is helpful in the early stages of planning a trip to Alaska that includes wildlife viewing (and what trip doesn't?); however, if you are going to Alaska's Inside Passage or the Kenai Peninsula, you will find the Alaska Department of Fish and Game's more recent regional wildlife viewing guides provide a better level of detail. For the Kenai Peninsula check out the 2007 Alaska's Kenai Peninsula Wildlife Viewing Trail Guide. For Alaska's Inside Passage check out the 2006 Alaska's Inside Passage Wildlife Viewing Guide.
