Solos For Young Violinists

Synopsis

Solos for Young Violinists is a graded series that contains works ranging from elementary to advanced levels representing an exciting variety of styles and techniques for violinists -- a valuable listening resource for teachers and students of all ages. The piano tracks, recorded on the second half of each CD, give the violinist the opportunity to practice with accompaniments. This series of recordings can be used by any violinist and is supplementary to any method or course of study. Many of the pieces in this collection have long been recognized as stepping stones to the major violin repertoire, while others are newly published works.
