Customer Reviews

"The charms of The Routledge Dictionary of Modern American Slang and Unconventional English bring to mind a younger brother with troubled friends who has memorized long stretches of dialogue from movies starring stoners or mobsters." -- The Nation, December 2008 Praise for The New Partridge Dictionary of Slang and Unconventional English, edited by Tom Dalzell and Terry Victor: 'This dictionary informs, but it also entertains.' Booklist 'This dictionary is huge fun.' The Times Literary Supplement '...no term is excluded because it might be considered offensive as a racial, ethnic, religious, sexual, or any kind of slur...' Against the Grain '...the editors have succeeded in ... observing high standards of lexicography while producing an accessible work.' Choice '...you can dip in just about anywhere and enjoy the exuberant, endless display of human inventiveness with language.' BOOKFORUM 'Modern American Slang is an unbeatable bargain, soundly academic, and a really useful reference work for all libraries, all linguistics, all sociologists, and all press

rooms.' - Reference Reviews 'To quote Paul Dickson (author of The Dickson Baseball Dictionary)
"...a five-alarm, slam-dunk, grand-slam home run of a book". - Reference Reviews Â Â Â

Tom Dalzell is recognized as a leading expert on American slang. He is the author of Flappers to Rappers: American Youth Slang (Merriam-Webster, 1996) and The Slang of Sin (Merriam-Webster, 1998), both of which were alternate selections for the Book of the Month Club. He served as senior editor of The New Partridge Dictionary of Slang and Conventional English (Routledge, 2006). He lives in Berkeley, California, with his family.

I couldn't enjoy it because of all the "filthy" slang listed. I'm giving it away.

Despite the interest of the contents, I find the Kindle Edition not usable. It's fastidious to find something, because you have no convenient search function. Type, for example "gee", and you'll get 36 pages of locations! You don't even have chapters organized per letters, to help you navigating.
