Gypsy: A World Of Colour & Interiors

Synopsis

Revered designer Sibella Court is known for her eclectic, creative vision and vibrant Bohemian style and interiors. In *Gypsy* Sibella takes you on a whirlwind tour through the Galapagos and Ecuador, Indochina, Turkey, Scotland, and Transylvania. From place to place, she reveals diverse elements that inspire her, from churches, favorite suppliers, and table settings, to colors, animals, and aromas. Filled with dazzling patterns, gorgeous layouts, and eye-catching designs, *Gypsy* encourages you to use all five senses to draw artistic inspiration from the world around you. Sibella teaches how to take pieces bought or seen on your own travels and use them to fashion unique spaces full of color, texture, imagination, and meaning. She also emphasizes the importance of scents, reminding how fragrances can help transport you to places youâ€™ve beenâ€™ or dream of going. An extraordinarily beautiful volume, *Gypsy* is a deluxe, cloth-covered guide filled with lush photos taken by Sibellaâ€™s brother, Chris, a renowned, award-winning photographer.

Customer Reviews

Sibella Court is the best-selling author of *Etcetera*, *The Stylistâ€™s Guide to NYC*, *Nomad*, and *Life of a Bowerbird*. After ten years of living and working in New York styling for Bergdorf Goodman, Saks Fifth Avenue, Jo Malone, Pottery Barn, Target, West Elm, Gourmet, Marie Claire, and Vogue Living, Sibella returned home to Australia to launch her brand and shop, The Society Inc.â€™

I bought this as a book for decoration, not to actually read. It is a very attractive book and a nice addition to boho decor; however, if you're looking for a good read or interior design inspiration in this

book, then look elsewhere.

Absolutely beautiful book! I am an artist, and I find these pages to be so inspiring.

The book is a nice high quality fabric. I find it odd that words are written on pages with lots of colors on them- thus makes reading at times difficult. The book is just good to own if you are of a gypsy spirit and like to be surrounded by all things gypsy.

She has such an eye. I love this book and its collection of places, color swatches and artistry. Definitely an inspiration for any creative.

This book inspires to loosen up, have confidence and work with life's collected treasures that you love and think beyond the "step by step" interior design box, The third of Sibella's books I own . . . just lovely, that I can refer back to for inspiration. If you are looking for more specific concrete guidance . . it may not be for you.

Beautiful muted colors i enjoy looking at. Wonderful coffee table book.

Fabulous!

A beautiful book.
