## **Customer Reviews**

Just what we needed!

The sheet music works as expected. They didn't need to make me turn the page though. The inner panel comes out and they could have made it so that I could lay all of the music out without turning the page but they didn't. I only docked one star for that, because it's more of an opportunity missed rather than an actual defect.

Love it.

Good

Everything I'd hoped for!

VERY NICE. THIS IS WHAT I NEEDED. THANKS

good quality print on demand

Beautiful rendition of a simply great classic.
