Tracy Salcedo-ChourrÃ© has been writing and editing outdoor guidebooks for almost twenty years. A former newspaper reporter, columnist, and editor, she has written Best Easy Day hikes guides for the San Francisco Bay Area, Reno, Sacramento, Denver, Boulder, and Aspen, among others. She is also author of Hiking Lassen Volcanic National Park, California's Missions and Presidios, Best Rail Trails California, and Exploring Point Reyes National Seashore and Golden Gate National Recreation Area, all FalconGuides. Also an educator, Salcedo-ChourrÃ© resides in California's Wine Country with her husband, three sons, and the family pets.

There are no hikes longer than 3 miles in this guide. I figured 'easy' meant less incline, but it apparently also means about a mile in length. The vast majority of these hikes are .8 to 1.8 miles. There are a few longer ones included. But I can't really dock too many stars for what is partly my goof. Sadly, since I couldn't find any reviews, or more than a couple of preview pages, I did not know until the book arrived that the hikes were short. I would have liked some options for adding on a few loops on some of the trails listed which do have add on mileage. Overall a decent list of short trails very close to Boulder. If you want longer trails, there are brochures available around town at various outfitters and government offices and visitor centers. If you want a more thorough and better book detailing hikes in this area without getting too many of hikes farther west then get this book: *60 Hikes Within 60 Miles: Denver and Boulder: Including Colorado Springs, Fort Collins, and Rocky Mountain National Park.*

The product has an excellent edge, works wonderfully on my homemade bread! best product i will come next time . i love it , arrive on time.
