Customer Reviews

You get 100 real DMV questions and the answers in the back of the book. I like that the questions are separated in groups of 10, and at the end of each group you have a link to the answers for that group. Then you have a link from the Answers section back to where you left off in the Questions section. This makes it very easy to go back and forth and actually prepare for the test. In terms of the questions themselves - they cover pretty much everything. I also got the DMV app from - I like the app better to be honest but this book was a good complimentary preparation. I would recommend this to anyone trying to get a drivers license in NY
